The discourse was received most reverently by the audience and all went from the church deeply impressed with the great reality of life. The selections by the quartette were appropriate and impressive.

A SPLENDID RECORD

Editor Era:

I would be pleased to have you publish in your paper that 97 1/2 per cent of the Morenci Teaching Force bought Health Bonds in the Christmas Seals campaign, and the other 2 1/2 purchased Christmas Seals in amounts of less value than bonds.

The Christmas Seals Campaign in Morenci was very successful. Many of the citizens of this community contributing liberally through the purchase of Health Bonds which range in denominations \$5.00 to \$100.00. One citizen up to this date has purchased a \$100.00 bond, this being the largest individual sale made up to the present.

It is true that people of every nationality represented in this community are supporting the Christmas Seals Campaign liberally.

Sincerely,
W. E. LUTZ

VICTORIOUS MORENCI

Friday night, at the school gymnasium, the Morenci Athletic Club basketball team took the Clifton Town team into camp to the tune of 41 to 3. In spite of the extremely cold night a good-sized house turned out to see the contest. The issue was never in doubt after the first minutes of play, the Morenci boys out-shooting and out-playing their opponents in every department of the game. A return game has been arranged to be played in Clifton. Captain Miller expects to have his men in better condition for this game and promises to turn the tables on the Morenci team.

"The Club team goes to Thatcher to play the Thatcher Athletic Club on Saturday the 6th. This promises to be a fast game, as the Thatcher team has whipped everything in this part of the state, and Morenci is out for their scalp."
